Cathy Cassell : Conducting Research Interviews for Business and Management Students (Mastering Business Research Methods) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Conducting Research Interviews for Business and Management Students (Mastering Business Research Methods):

Part of SAGE's Mastering Business Research Methods Series, conceived and edited by Bill Lee, Mark N. K. Saunders and Vadake K. Narayanan and designed to support researchers by providing in-depth and practical

guidance on using a chosen method of data collection or analysis. In *Conducting Research Interviews*, Catherine Cassell guides you through conceptualizing the interview, preparing for the research interview, conducting the interview, examples, conclusions and next steps. Ideal for Business and Management students reading for a Master's degree, each book in the series may also serve as reference books for doctoral students and faculty members interested in the method. Watch the editors introduce the *Mastering Business Research Methods* series and tell you more about the first three books.
