Benjamin P. Bowser, Gale S. Auletta, Terry Jones : Confronting Diversity Issues on Campus (Survival Skills for Scholars) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Confronting Diversity Issues on Campus (Survival Skills for Scholars):

The authors of this volume discuss diversity issues such as admission policies and the role of ethnic studies departments, then suggest strategies for dealing with questions of racism, diversity and intercultural communication. Suggestions range from ways to improve intercultural interpersonal skills through to the broad structural changes

needed if a university is to embrace its diverse population.
