From Ashgate : Consumer Protection in the Age of the 'Information Economy' (Markets and the Law) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Consumer Protection in the Age of the 'Information Economy' (Markets and the Law):

This volume considers the impact of technological innovation on the foundations of consumer advocacy, contracting

behaviour, control over intellectual capital and information privacy. A unique and timely perspective on these issues is presented by internationally renowned experts who provide novel approaches to the question of what consumer protection might consist of in the context of technological innovation.

About the AuthorJane K. Winn is Professor and Director of the Shidler Center for Law, Commerce Technology at the University of Washington, Seattle, Washington, USA, where she teaches commercial, comparative and technology law courses. She is a member of the American Law Institute and a Visiting Fellow of the University of Melbourne School of Law. Her research focuses on electronic commerce law issues in the US, EU and the People's Republic of China.
