Richard Stim : Contracts: The Essential Business Desk Reference (Contracts : the Essential Business Desk Reference) before purchasing it in order to gage whether or not it would be worth my time, and all praised Contracts: The Essential Business Desk Reference (Contracts : the Essential Business Desk Reference):

0 of 0 people found the following review helpful. A must read!!!...By Pink Pearls Glam by: AngelaI really enjoyed this product! ... It is a must have for anyone interested in contracts.0 of 0 people found the following review helpful. Solid resourceBy JaredI work as a legal translator and this book is helpful for learning legal terminology. A surprising number of typos though.0 of 0 people found the following review helpful. Very InformativeBy Jon HollandAs someone who is new to the world of government contract management, this book has been an invaluable resource. Any time I have questions about anything concerning one of our bid contracts, I turn to this book. It is the ultimate

desk reference when it comes to contracts!

Understand virtually any contract and sign on the dotted line with confidence. This is the first book to explain contract terms in language for the layperson. This indispensable A to Z guide covers: definitions of over 300 common terms found in contracts how to decipher the language of contracts which clauses are important and which aren't illegal and dangerous contract clauses to watch out for, and how to negotiate or change contracts. *Contracts: The Essential Business Desk Reference* will help you save money by explaining which clauses are important so that you can avoid a pricey professional review by a lawyer. Written in plain English, this book is especially useful for law students and business owners (including one-person operations and independent contractors), but still contains enough detail to have a place on nearly any lawyer's bookshelf.

“... helps laypeople navigate the sometimes murky waters of contractual agreements.” *Library Journal* “Nolo is a pioneer in both consumer and business self-help books and software.” *Los Angeles Times* About the Author Richard Stim specializes in small business, copyright, patents, and trademark issues at Nolo. He practices law in San Francisco and has represented photographers, software developers, craftspeople, publishers, musicians, and toy designers. He is the author of many books, including *Music Law: How to Run Your Band's Business*, *Patent, Copyright Trademark: An Intellectual Property Desk Reference*, and *Profit From Your Idea*. Stim regularly answers readers' intellectual property questions at *Dear Rich: An Intellectual Property Blog*, and is a contributor to *Lynda.com*.
