Development and Finance: Essays in Honor of Jan A. Kregel (Levy Institute Advanced Research in Economic Policy):

1 of 1 people found the following review helpful. Great book! By Max Excellent book ! Several fundamental review articles that allow to reconstitute a little bit the itinerary of Jan Kregel, including one important for its historical content by Roncaglia and Tovernanchi.

This study combines lessons drawn from events and experiences of developing countries and examines them in relation to Jan Kregel's ideas on economics and development. The contributors provide in-depth analysis on: financial stability and crises, monetary systems, banking, global governance, employment, inflation and political economy
