**From Palgrave Macmillan : Corporate Governance, Responsibility and Sustainability: Initiatives in Emerging Economies** before purchasing it in order to gage whether or not it would be worth my time, and all praised Corporate Governance, Responsibility and Sustainability: Initiatives in Emerging Economies:

Corporate Governance, Responsibility and Sustainability investigates various dimensions of corporate governance issues in key emerging economies such as China, India, Brazil, South Africa and Russia. The book explores a number of issues in the areas of corporate governance framework, market discipline and building an efficient, competitive market.
