John Mcload : Create Your Own Ebook before purchasing it in order to gage whether or not it would be worth my time, and all praised Create Your Own Ebook:

No writing, no problem! Let me tell you a little about my story. As the Internet began taking over the world, dollar signs flashed almost constantly in the back of my mind. I did some research to see who was making money from this evolution. I ran across import companies, search engines, web-site-development/hosting companies, and auction sites. That was a year ago. Now, more than ever, the Internet is starting to define business. People are actually paying for and downloading songs for their listening pleasure. People are researching, planning, and booking entire vacations online. People who love information are inhaling the Internet. Information is everywhere. Of course that presents a bit of a dilemma. Information overload. Part of the problem with researching the Internet is the information you glean

during your surfing is highly if not completely unorganized.
