Crunch Point: The 21 Secrets to Succeeding When It Matters Most - Brian TracyBy SuccessBrian Tracy is a master at laying out information in a simple to understand manner and he does that in this book. He tells you the "How's Why's" of how to deal with difficult decisions when it is all on the line. Excellent book as are all of Mr. Tracy's works!0 of 0 people found the following review helpful. Awesome bookBy Brian WhaleyGreat read. Brian Tracy nails it again with great strategies to deal with setbacks in our business and personal lives.

It doesn't matter who you are, what industry you work in, or how well run your company is: from time to time, everyone is hit with a moment in which setbacks suddenly occur, crises arise, and unexpected problems emerge. In these moments - "crunch points" - the difference between success and failure comes down to how well one handles the pressure. In "Crunch Point", success expert Brian Tracy shows readers how they can not only survive the most stressful and difficult of situations - but thrive in the face of tremendous pressure and come out a winner.

..".The ideas presented are well and concisely addressed... The book is worth the price of the assurance you need." - "Inland Empire Business Journal" "First, the ideas presented are well and concisely addressed. Second, if you are one of the business owners or executives facing a crunch point, there is reassurance in learning that you are not the first to face a business crisis, and that there are ways out of the problems you face if you address them with dedication, imagination, and persistency. In the long run, the book is worth the price of the assurance you need." - "Inland Empire Business Journal" ..".a quick and enjoyable read, chock full of practical suggestions." - "The School Administrator Magazine" ..". you can breeze through it in little more than the time it takes to fly from New York to Chicago.." - "Frequent Flyer Magazine" ""Life and business have unavoidable and inevitable crises.
