**Jason R. Rich : Design and Launch an E-Commerce Business in a Week (ClickStart Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Design and Launch an E-Commerce Business in a Week (ClickStart Series):

0 of 3 people found the following review helpful. E-CommerceBy Computer GuyThe book is a good E-commerce book. However, I was looking more for oscommerce. This book had 4 pages on oscommerce.5 of 6 people found the following review helpful. When you hit those inevitable roadblocks ...By Matthew R. OverstreetA good buy. Certainly not the single authority on e-commerce that you should rely on, but, if you're looking to open an internet store (or already have) this is a good reference to have when you hit those inevitable roadblocks.Matthew Overstreet[...]

Have you fantasized about your own retail storeselling your own specialty items, showcasing unique products or better promoting existing products? Or have you dreamed of working from home, setting your own hours and still making

great money? Today's technology makes it easier than ever to take your retail dreams to the world's largest marketplace the Internet. In just days, you can build your own eCommerce website, reach potential customers by the millions, process orders 24/7 and accept payments from all over the world with no technical background or graphic design skills! Design a professional eCommerce site using inexpensive, turnkey solutions from established companies like Google, Yahoo! and Go Daddy that require no programming or graphic design knowledge. Create content and online deals that capture shoppers and keep them coming back. Use surefire online tools that work 24/7 to handle payments and accept orders. Drive traffic using Search Engine Optimization and other marketing and advertising techniques. Skillfully handle inventory, order fulfillment, customer service and all other operations. The world's largest marketplace is at your fingertip stake advantage of it!
