Xiaoyan Liang, Shuang Chen : Developing Skills for Economic Transformation and Social Harmony in China: A Study of Yunnan Province (Directions in Development) before purchasing it in order to gage whether or not it would be worth my time, and all praised Developing Skills for Economic Transformation and Social Harmony in China: A Study of Yunnan Province (Directions in Development):

This study assesses the technical and vocational education and training (TVET) system of Yunnan Province in China, including a skills-demand analysis and a review of work-based and non-formal training systems. It promotes policies for a demand-driven, high-quality, and equitable education and training system conducive to lifelong learning.
