Excellent even for the stubborn FundraisersBy Cynthia BabichThis book is amazing and very helpful while developing the work you want to get accomplished and then making a clear concise request to funders that is based on well thought out concepts. Has great worksheets to take you step by step through the process. First used in an Annenberg training and this is now my go to book. Bought this copy for my friend Jesse.0 of 0 people found the following review helpful. WonderfulBy Jeannine HoffmannI receive my book within three days. It excellent. There is an abundance of information, more than I expected. I really enjoy the depth the author provided on this issue.0 of 0 people found the following review helpful. Five StarsBy Arthur ZilI did well in my Graduate school class and thanks to the information in the book.

Learn step by step how to craft a winning case statement! This tool in the Excellence in Fund Raising Workbook Series offers you a practical, hands-on guide to creating the cornerstone of any successful fund raising program--an effective case for support. Written by Tim Seiler--a leader in the field of fund raising and a disciple of master fund raiser Hank Rosso--Developing Your Case for Support provides you with a complete framework for bringing together all the reasons nonprofits know they are worthy of support, and shows you how to develop a case that makes those reasons concrete and real for donors. Filled with helpful worksheets and examples, the workbook features a step-by-step methodology for gathering, organizing, and using the information essential for developing a compelling case statement.

"I can heartily recommend this book." (CharityChannel.com, January 17, 2003) "I am not aware of any other workbook that addresses this topic. Developing Your Case for Support will be a welcome and valuable contribution to the field." mdash;Barbara Marion, CFRE, senior principal, Hayes Briscoe Associates "My compliments go to Timothy Seiler for writing a basic manual on a subject that is very confusing and often interpreted by many people differently." mdash;Tere Lindhan, CFRE, George Mason University
