**From Palgrave Macmillan : Development for Sustainable Agriculture: The Brazilian Cerrado** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Development for Sustainable Agriculture: The Brazilian Cerrado:

Since the mid-1970s, the tropical savanna, known as Cerrado, has been transformed into one of the world's largest

grain-growing regions. This book explores how and by what Brazil achieved inclusive and sustainable growth in the Cerrado.
