Can't live without it!By todd swansonIf you're dealing with a foreclosure, if you're dealing with a bank, you need to know the definition of the words they are using. Do not assume that since you can read English, that you know the meaning of the words. For instance, do you think the bank loaned you other peoples money or that the bank loaned you their money when you got that loan to buy your home? If you do, you're ignorant. What's more the bank is making a fool of you. What is the definition of "Money Multiplier", Fiat Money" and "Fractional Reserves"? The answer will surprise you.0 of 0 people found the following review helpful. ExcellentBy ianExcellent dictionary, a must have for everyone.0 of 0 people found the following review helpful.
