field of real estate! By M. Muckerman https://www..com/dp/1438001460/ref=cm_cr_ryp_prd_ttl_sol_18 Whether you are studying for the real estate sales person, broker exam or are already an established real estate broker, living in any state, this book is a convenient and quick way to look up a definition. I am glad I purchased it as I have already referenced it several times. 0 of 0 people found the following review helpful. This was nice to have while studying for the state test. By Daria Davis This was nice to have while studying for the state test. I'd use it to make flashcards and look up words I didn't know. 0 of 0 people found the following review helpful. Five Stars. By Maurice B. Stephens Excellent transaction.

As the real estate market begins to show signs of recovery, home buyers and sellers, real estate professionals, investors, and attorneys can rely on the up-to-date eighth edition of Barron's Dictionary of Real Estate Terms when they need a handy quick-reference source to the industry's terminology. More than 3,000 short-entry terms and definitions cover topics that include appraisal, architectural styles, brokerage, construction, development, environmental finance, mortgage types, zoning, and much more. Many definitions are supplemented with graphs, charts, and line art.
