**Kenneth S. Pope, Melba J. T. Vasquez : Ethics in Psychotherapy and Counseling: A Practical Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ethics in Psychotherapy and Counseling: A Practical Guide:

0 of 0 people found the following review helpful. Four StarsBy CustomerSatisfied with this product2 of 2 people found the following review helpful. Easy EthicsBy Sarah BI used this book for my text in my graduate Ethics study and enjoyed it. I found it easy to read and comprehend. The scenarios and questions make you think about your responses to ethical dilemmas. I would recommend this for anyone interested in ethical psychological debate, or for those who set up their own curriculum for an ethics-based class.0 of 0 people found the following review helpful.

textBy Kathy SchormannText was delivered quickly and at a good price. Text is in excellent shape. Will definitely consider source for additional text book needs.

Praise for *Ethics in Psychotherapy and Counseling, Third Edition* "This is absolutely the best text on professional ethics around. . . . This is a refreshingly open and inviting text that has become a classic in the field." —Derald Wing Sue, professor of psychology, Teachers College, Columbia University "I love this book! And so will therapists, supervisors, and trainees. In fact, it really should be required reading for every mental health professional and aspiring professional. . . . And it is a fun read to boot!" —Stephen J. Ceci, H. L. Carr Professor of Psychology, Cornell University "Pope and Vasquez have done it again. . . . an indispensable resource for seasoned professionals and students alike." —Beverly Greene, professor of psychology, St. John's University "[The third edition] focuses on how to think about ethical dilemmas . . . with empathy for the decision-maker whose best option may have to be a compromise between different values. If there is only room on the shelf for one book in the genre, this is it." —Patrick O'Neill, former president, Canadian Psychological Association "This third edition of the classic ethics text provides invaluable resources and enables readers to engage in critical thinking in order to make their own decisions. This superb reference belongs in every psychology training program's curriculum and on every psychologist's bookshelf." —Lillian Comas-Díaz, 2006 president, APA Division of Psychologists in Independent Practice "Ken Pope and Melba Vasquez are right on target once again in the third edition, a book that every practicing mental health professional should read and have in their reference library." —Jeffrey N. Younggren, risk management consultant, American Psychological Association Insurance Trust "Without a doubt, this is the definitive book on ethics within psychology that can inform students, educators, clinical researchers, and practitioners." —Nadine J. Kaslow, professor, Department of Psychiatry and Behavioral Science, Emory University School of Medicine "This stunningly good book . . . should be on every therapist's desk for quick reference." —David Barlow, professor of psychology and psychiatry, Boston University

"Pope and Vasquez take the reader on an engaging and fascinating tour of the most pressing ethical challenges that confront professional therapists today." (Psychiatric Times, Jan 2008) About the Author Kenneth S. Pope received his Ph.D. from Yale and is in independent practice as a licensed psychologist in Connecticut. He has chaired the Ethics Committees of the American Psychological Association (APA) and the American Board of Professional Psychology (ABPP). He is the author of ten books, and has also authored or co-authored over 100 articles and chapters in peer-reviewed scientific and professional journals. He has received the APA Division of Clinical Psychology Award for Distinguished Professional Contributions to Clinical Psychology and the APA Award for Distinguished Contributions to Public Service. Melba J. T. Vasquez received her Ph.D. in counseling psychology from the University of Texas, and is a psychologist in private practice in Austin, Texas. She served on the APA Ethics Committee, the APA Ethics Committee Task Force for Revision of 1992 Ethics Code, and APA Board of Social and Ethical Responsibility. She has taught graduate courses in ethics, counseling and psychotherapy, and multicultural issues in psychology. She is past president of the APA Society for the Psychology of Women and has won numerous awards including the 2000 Distinguished Leader for Women in Psychology.
