From Routledge : European Works Councils: Pessimism of the Intellect Optimism of the Will? (Routledge Research in Employment Relations) before purchasing it in order to gage whether or not it would be worth my time, and all praised European Works Councils: Pessimism of the Intellect Optimism of the Will? (Routledge Research in Employment Relations):

This book covers the key themes related to the introduction, growth development and future of European Works Councils: the European Works Council Directive itself, European Works Council Agreements, Employers' strategies for managing European Works Councils in practice and trade union strategies for the development of European Works Councils. The book features contributions from key writers in the field and covers both theoretical models and questions of practice.
