Nicholas Kaldor : Expenditure Tax before purchasing it in order to gage whether or not it would be worth my time, and all praised Expenditure Tax:

'This is one of those rare technical books which has an importance outside its own field' The Daily Telegraph. 'One of the most stimulating post-war books on public finance' The Guardian. Part 1 examines the issue of Expenditure Tax in principle and includes chapters on the following: * Income, Expenditure and Taxable Capacity * The Concept of Income in Economic Theory * Taxation and Savings * Taxation and risk-bearing * Taxation and the Incentive to Work * Company Taxation * Taxation and Economic Progress Part 2 examines the issue of Expenditure Tax in practice, asking whether personal expenditure tax is practicable and putting forward a proposal for Surtax Reform.

"This is one of those rare technical books which has an importance outside its own field' The Daily Telegraph. 'One of the most stimulating post-war books on public finance' - The Guardian
