Jennifer Karnopp : Family Child Care Basics: Advice, Activities, and Information to Create a Professional Program before purchasing it in order to gage whether or not it would be worth my time, and all praised Family Child Care Basics: Advice, Activities, and Information to Create a Professional Program:

0 of 0 people found the following review helpful. Every provider should have this bookBy Delia Teresa GarciaThe perfect book for beginners and experience providers. Thank you!!!0 of 0 people found the following review helpful. A lot of great ideas!By Latisha's Home DaycareAs a provider, I really enjoyed reading your book. It was an extremely easy read, with tons of ideas. I look forward to using them with the children in my care.Thank you, Jennifer! :)

Beginning a new business venture can be a daunting task, and setting up an in-home child care program can be especially challenging. After the licenses have been applied for and acquired, what comes next? Now, an expert on the

subject provides advice, tips, information, and activities for setting up a child care program and running it smoothly. From creating a healthy, safe environment for children to developing engaging activities that can be used to shape daily plans, *Family Child Care Basics* shows how to plan and implement a program where children will learn, play, and thrive. Topics include: **Setting up Your Environment**; **Toys and Materials**; **Setting a Schedule**; **Developing a Curriculum**; **Daily Planning**; **Child Growth and Development**

From the Back Cover Beginning a new business venture can be a daunting task, and setting up an in-home child care program can be especially challenging. After the licenses have been applied for and acquired, what comes next? Now an expert on the subject provides advice, tips, information, and activities for setting up a child care program and running it smoothly. From creating a healthy, safe environment for children to engaging activities that can be used to develop daily plans, *Family Child Care Basics* is the companion every family child care business needs to be successful. In simple language, Jennifer Karnopp explains how to plan and implement a program where children will learn, play, and thrive. This guide also offers reproducible forms and a selection of more than fifty activities to get the fun and learning started. Building a successful in-home child care program is not simple, but with *Family Child Care Basics*, there is an essential companion to help!

About the Author Jennifer Karnopp has been devoted to the field of early learning and care for over 15 years. After working in the training department of a resource and referral agency where she specialized in finding and creating resources for both English and Spanish speaking child care providers, Jennifer became a certified elementary school teacher and spent time in both traditional and bilingual public schools teaching a variety of grade levels. In 2001 Jennifer began *World of Wonder*, a curriculum company dedicated to providing hands-on learning experiences for young children. Jennifer lives in New Hampshire with her husband and two young children.
