**Harvard Business Review : Finance Basics (HBR 20-Minute Manager Series) (20 Minute Manager)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Finance Basics (HBR 20-Minute Manager Series) (20 Minute Manager):

2 of 2 people found the following review helpful. Awesome Finance Book - A MUST HAVE for great understandingBy GenevieveAwesome, if you want to get a clear description of the purpose of the financial statements along with how to calculate and when to use certain calculation this is the book. I must have for basic and general understanding. Afterwards feel like a financial wizard0 of 0 people found the following review helpful. Excellent! - Financial concepts are presented in a constructive ...By CustomerExcellent! - Financial concepts are presented in a

constructive and elaborate way which makes it easy to understand. 2 of 2 people found the following review helpful. It is fine for its purpose  
By Timothy L. This is a book I use for a business foundations course for MBA students with no previous business background. It is fine for its purpose.

Intimidated by corporate finance? The numbers (and the jargon) can feel overwhelming--but you have to understand them to manage effectively. Finance Basics explains the fundamentals simply and quickly, introducing you to key terms and concepts such as:  
How to navigate financial statements  
How to weigh costs and benefits  
What's involved in budgeting and forecasting  
How to gauge a company's financial health  
Don't have much time? Get up to speed fast on the most essential business skills with HBR's 20-Minute Manager series. Whether you need a crash course or a brief refresher, each book in the series is a concise, practical primer that will help you brush up on a key management topic. Advice you can quickly read and apply, for ambitious professionals and aspiring executives--from the most trusted source in business. Also available as an ebook.

"The newest addition to the outstanding '20 Minute Manager' series from the Harvard Business School Press... an ideal introduction that is especially appropriate for the non-specialist general reader wanting to grasp and apply the fundamentals of financial management and decision making." -- Midwest Book About the Author  
Harvard Business is the leading destination for smart management thinking. Through its flagship magazine, 11 international licensed editions, books from Harvard Business Press, and digital content and tools published on HBR.org, Harvard Business provides professionals around the world with rigorous insights and best practices to lead themselves and their organizations more effectively and to make a positive impact.
