IntelligentHQ.com : Innovating In A Forever Recession before purchasing it in order to gage whether or not it would be worth my time, and all praised Innovating In A Forever Recession:

The concept of "Forever recession", coined by Seth Godin, is particularly relevant to the present world climate and the business challenges we face today. How can businesses cope and adapt to a fast changing economy and society challenged by innovative disruption technologies, the sense of continuous crisis and somehow a "forever

recessionrdquo;?
