Len LERITZ : Interpersonal Negotiations: EBook Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Interpersonal Negotiations: EBook Edition:

Finallyhellip;a negotiation framework that encourages a positive outcome for both parties. This book takes the "win/win" concept a step further to make negotiating a more gratifying experiencemdash;even if you donrsquo;t get exactly what you want. Interpersonal Negotiations: Breaking Down the Barriers builds on mutual understanding and respect for each other's needs and provides a proven framework for fulfilling them. Yoursquo;ll discover the secrets that can help turn an adversary into an advocate. You will learn how to: bull; Ensure a safe, fair, and effective negotiation process bull; Direct the negotiation process to create mutual understanding and acceptance bull; Recognize and understand your own needs and those of the other person bull; Make it easy for others to understand your needs

bull; Be creative and persistent to address and resolve blocks to successful negotiation bull; Assess the other person's behavioral and emotional responses bull; Acknowledge your own and the other person's perceptions and beliefs bull; Avoid getting mired in the process. This is an ebook version of the AMA Self-Study course. If you want to take the course for credit you need to either purchase a hard copy of the course through amaselfstudy.org or purchase an online version of the course through www.flexstudy.com.
