Some very unconventional but wise advice. Worth a read but you'll need time to process his ideas.0 of 0 people found the following review helpful. Everyone should read "Invincible Thinking"!By Lisa HWhat a wonderful, helpful, useful book "Invincible Thinking" is! It will help anyone who lives in this hectic, rough society. If you have any issues in life, you should read it. Even if you don't especially have any big

issues, you should read it so you can learn to grow yourself and can help others who have some issues as well.0 of 0
