Gary W. Carter : J.K. Lasser's Taxes Made Easy for Your Home-Based Business: The Ultimate Tax Handbook for the Self-Employed before purchasing it in order to gage whether or not it would be worth my time, and all praised J.K. Lasser's Taxes Made Easy for Your Home-Based Business: The Ultimate Tax Handbook for the Self-Employed:

1 of 1 people found the following review helpful. Easy to follow instructions!By Susan KelleySo helpful, everything I

needed to know! Love it! Susan Kelley, Author Ghostly Encounters of the Paranormal Kind 18 of 21 people found the following review helpful. The best starting point for Home-based Businesses By Manny Hernandez This book, without any doubt, is the best starting point around for those of us who are starting a home-based business. However, words of warning: -This is a reference. Do not assume you know all there is to know to your particular situation only by reading it. There is no good substitute for an accountant to help you with your business taxes, if not on an on-going basis, at least in order to get you going the first time you do your biz taxes. -Watch for past editions. I ran into the 4th edition, and given changes in tax legislation, it is unwise to base any decisions on outdated (tax) information. Make sure you always read the latest edition of this book. This said, I highly recommend this book for any business owner starting his/her business from home. It will give you a very good perspective on what to expect, what things you can change/improve to take full (and legal) advantage of the benefits the tax legislation offers to small business owners. 3 of 3 people found the following review helpful. Out of Date By Stewart Teaze - Aerospace Systems Engineer This was the 5th edition of this book. While it was excellent for its time, it is now extremely out of date. The name of this book has been changed - it is now called "J.K. Lasser's Small Business Taxes 20XX" (where XX is the current year), and the book is now published yearly, so you don't have to go by an "edition" number, which didn't really help the consumer to know he was buying the most current edition.

\* Completely updated for all the new tax laws \* Capitalize on every deduction! \* Sole proprietor, corporation, or partnership? The Ultimate Guide to Running a Tax-Efficient Home-Based Business The advantages of operating a home-based business are countless, but what many owners don't realize, and are often not prepared to handle, are the host of complex tax issues surrounding a home-based business. The completely updated Fifth Edition of J.K. Lasser's Taxes Made Easy for Your Home-Based Business clarifies the current tax environment with regard to home-based businesses, and shows you how to make the most of the new tax laws. This perennial guide answers home-based business owners' questions, with a special focus on the changing tax laws and deductions for the home office. Expert advice and in-depth insights will help you avoid costly mistakes and take advantage of opportunities you would otherwise miss. Critical coverage will help you: \* Navigate the details of the new tax laws and IRS rules \* Increase your knowledge of deductible expenses \* Keep your records up to IRS standards \* Organize and run a home-based business for maximum tax benefits \* Make filing easy by utilizing sample tax forms
