KaChing is RIGHT!....Great bookBy Wayne CashJoel Comm is the MAN!!! He does such a great job at explaining how to get started in the online business. He gives his own story of how he got his own start, as well as his mistakes! But he has a

true mastery over this world, and takes the time to lay it out for the reader in basic, yet practical terms. Depending on how dialed in you are about your own ideas, you could be able to implement the strategies within a week to 10 days. Add this to your shelf, and you won't regret it. 1 of 1 people found the following review helpful. Five Stars By bill6543 very informative
