Staughton Lynd, Daniel Gross : Labor Law for the Rank Filer: Building Solidarity While Staying Clear of the Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Labor Law for the Rank Filer: Building Solidarity While Staying Clear of the Law:

0 of 0 people found the following review helpful. Great book.By ChadWilliam1 Very informative book. I have learned

a lot. 1 of 1 people found the following review helpful. very good By TL scratchy n exact if you are a union deligate this is the book for you. i rec to paralegals labor boards across the us 0 of 0 people found the following review helpful. Necessary for Unn work By RENEELearn how to work happily in a Union world. Learn what and why the processes that are used and how to be forward thinking.

Blending cutting-edge legal strategies for winning justice at work with a theory of dramatic, bottom-up social change, this practical guide to workers' rights aims to make work better while reinvigorating the labor movement. A powerful organization model called "solidarity unionism" is explained, showing how the labor force can avoid the pitfalls of the legal system and utilize direct action to win fair rights. The new edition includes new cases governing fundamental labor rights and can be used not only by union workers, but can serve as a guerrilla legal handbook for any employee in this unstable economy.

"Some things are too important to leave to so called 'experts': our livelihoods, our dignity and our rights. In this book, Staughton Lynd and Daniel Gross have provided us with a very necessary, empowering, and accessible tool for protecting our own rights as workers." --Nicole Schulman, co-editor *Wobblies! A Graphic History and World War 3 Illustrated*. "As valuable to working persons as any hammer, drill, stapler, or copy machine, *Labor Law for the Rank and Filer* is a damn fine tool empowering workers who struggle to realize their basic dignity in the workplace while living through an era of unchecked corporate greed. Smart, tough, and optimistic, Staughton Lynd and Daniel Gross provide nuts and bolts information to realize on-the-job rights while showing us that another world is not only possible but inevitable." --John Philo, Legal Director, Maurice and Jane Sugar Law Center for Economic and Social Justice "Workers' rights are under attack on every front. Bosses break the law every day. For 30 years *Labor Law for the Rank and Filer* has been arming workers with an introduction to their legal rights (and the limited means to enforce them) while reminding everyone that real power comes from workers' solidarity." --Alexis Buss, former General Secretary-Treasurer of the IWW About the Author Staughton Lynd taught American history at Spelman College and Yale University. He was director of Freedom Schools in the 1964 Mississippi Freedom Summer. An early leader of the movement against the Vietnam War, he was blacklisted and unable to continue as an academic. He then became a lawyer, and in this capacity has assisted rank-and-file workers and prisoners for the past thirty years. He has written, edited, or co-edited with his wife Alice Lynd more than a dozen books. Daniel Gross is an organizer with the Industrial Workers of the World and a co-founder of the first union in the United States at the Starbucks Coffee Co. Mr. Gross is also the founding director of Brandworkers International, a new non-profit organization protecting and advancing the rights of retail and food employees across the supply chain. When it comes to workers' rights, the New York Times has called Mr. Gross, "earnest, articulate, and dogmatic to a flaw." He has been arrested for his activism and is currently involved in litigation against the New York Police Department and other governmental defendants for his unlawful arrest at a labor protest in front of the Starbucks store where he was a barista. He is quoted frequently in major media outlets including the Wall Street Journal, New York Times, and National Public Radio and writes regularly for Counterpunch.org. Mr. Gross serves on the steering committee of the National Lawyers Guild Labor Employment Committee.
