Highly recommend this book for learning about asset protection.By CCI love this book because the author, CLEARLY, explains how you shouldn't be mislead by Real Estate gurus who try to tell you Land Trusts provide bullet proof protection: they don't. Only an irrevocable trust does.0 of 0 people found the following review helpful. This is one of the best books guiding you in a very balanced way on ...By MThis is one of the best

books guiding you in a very balanced way on what you need to know about asset management. I liked it because it gave me the real scoop that no one wants to tell you no matter the topic. I would read every book written by Mark. He helps with options based on where you are at.

Are all Lawyers Liars? Of course not! But some lawyers are, and others who are not lawyers use that charge to sell the unsuspecting public asset protection structures or strategies that are outright lies. Until now, no other professional has been willing to call out the frauds and cheats in this powerful industry where self-professed experts and do-it-yourself hacks wreak havoc on the innocent just wanting to protect their assets. Mark Kohler exposes the liars and tells us the truth! In *Lawyers are Liars*, Mark explains the strategies that actually work to protect our assets and uses more than 270 footnotes to do it, quoting and referencing the true experts around the country. Undoubtedly, this book will become a desktop resource for not only the average middle income American wanting to protect his or her assets, but attorneys, estate planners and financial professionals guiding their clients through this complex area of the law.

From the Publisher* Mark explains the best kept secrets in asset protection planning, even describing in detail O.J. Simpson's amazing ability to continue to keep his assets. * Learn the Truth about Nevada Corporations, Off-Shore Planning, Land Trusts and all of the so called Silver Bullet Strategies! * In no other book has a professional been willing to call out the frauds and cheats in the powerful industry of asset protection.
