Customer Good Complement to Additional MBA Essay Writing Books but would not use as the only resource. Reference this one after you've written a first draft or two to help refine your final version. 0 of 0 people found the following review helpful. Perfect... Indeed By Power of One This book is exactly what i was looking for. I wanted a brief easy to read book that would give me "power phrases" - phrases that i can customize and reuse to capture the adcom's attention and then help me ease my way in making a strong case to consider my application. This book meets my needs. Before i got this book, i had to read through multiple lengthy "business school" essay books to distill the content to create my own power phrases. 0 of 0 people found the following review helpful. Great By RR Helped me a lot during my essay preparation for the business school. Should be on the must buy list any MBA applicant...
