Benjamin Franklin : Poor Richard's Almanack before purchasing it in order to gage whether or not it would be worth my time, and all praised Poor Richard's Almanack:

2 of 2 people found the following review helpful. An old book for modern timesBy JmcenanlyIf many of the quotes in this almanac seem familiar, it is because they have been repeated often since Benjamin Franklin set them down. Many times , he seems to be speaking directly to us about modern problems, both national and personal. If more people read and heeded these proverbs, we'd all be a lot better off.0 of 0 people found the following review helpful. The Sayings

and Writings of a Great Man!By G. TownsendThis little book contains much wisdom. Benjamin Franklin was a treasure and a very impressive man. He is, indeed, remembered fondly as one of our greatest Founding Father!1 of 1 people found the following review helpful. a classicBy neil voskoboynikovgood read once in a while full of reminders on how to live the good life in any age, including today

Benjamin Franklin's classic book is full of timeless, thought-provoking insights that are as valuable today as they were over two centuries ago. With more than 700 pithy proverbs, Franklin lays out the rules everyone should live by and offers advice on such subjects as money, friendship, marriage, ethics, and human nature. They range from the famous "A penny saved is a penny earned" to the lesser-known but equally practical "When the wine enters, out goes the truth." Other truisms like "Fish and visitors stink after three days" combine sharp wit with wisdom. Paul Volcker's new introduction offers a fascinating perspective on Franklin's beloved work.
