From SAGE Publications, Inc : Postmodern Management and Organization Theory before purchasing it in order to gauge whether or not it would be worth my time, and all praised Postmodern Management and Organization Theory:

This thought-provoking critique of postmodern theory provides an overview of issues as they relate to management and organization theory and its history, and assembles a variety of important works on postmodern philosophy - including feminist and cultural postmodern philosophies. Addressing the future of the postmodern influence on management and organization theory and method, the book also establishes an agenda for future research.

About the Author David M. Boje is an amateur blacksmith artist, Professor of Storytelling, Distinguished University Professor, and Bill Daniels Ethics Fellow in Management Department at New Mexico State University. He was

awarded an honorary doctorate from Aalborg University, Denmark in 2011 for his contributions to quantum storytelling.
