James H. Stronge, Xianxuan Xu, Lauri M. Leeper, Virginia C. Tonneson : Principal Evaluation: Standards, Rubrics, and Tools for Effective Performance before purchasing it in order to gauge whether or not it would be worth my time, and all praised Principal Evaluation: Standards, Rubrics, and Tools for Effective Performance:

0 of 0 people found the following review helpful. Doctoral Research ReferenceBy Dr.RosieOne of my doctoral students wanted to use Stronge's work in her dissertation. As the dissertation chair, I wanted my own copy to read and to be able to coach my student effectively. It worked well.0 of 0 people found the following review helpful. Great

resource on the topic of Instructional Rounds By Diane Kelley The book is clearly written and easy to follow. It provides the research needed to support our desire to revise our own evaluation processes.

Effective principals run effective schools—this much we know. Accurately measuring principal effectiveness, however, has long been an elusive goal for school administrators. In this indispensable book, author James H. Stronge details the steps and resources necessary for designing a comprehensive principal evaluation system that is based on sound research and established best practices. Here you'll find everything you need to thoroughly assess principal performance, including

- * An in-depth analysis of research findings related to principal evaluation.
- * A set of seven field-tested and research-based principal performance standards.
- * Detailed indicators for each standard that describe the principal's duties and expected level of performance.
- * A four-point performance appraisal rubric for each standard.
- * Forms and checklists for use in compiling evidence of performance and completing evaluations.
- * A step-by-step guide to planning, designing, implementing, and troubleshooting a successful evaluation system.

From the Inside Flap Effective principals run effective schools this much we know. Accurately measuring principal effectiveness, however, has long been an elusive goal for school administrators. In this indispensable book, author James H. Stronge details the steps and resources necessary for designing a comprehensive principal evaluation system that is based on sound research and established best practices. Here you'll find everything you need to thoroughly assess principal performance, including

- * An in-depth analysis of research findings related to principal evaluation.
- * A set of seven field-tested and research-based principal performance standards.
- * Detailed indicators for each standard that describe the principal's duties and expected level of performance.
- * A four-point performance appraisal rubric for each standard.
- * Forms and checklists for use in compiling evidence of performance and completing evaluations.
- * A step-by-step guide to planning, designing, implementing, and troubleshooting a successful evaluation system.

If there's a new principal evaluation system rolling out in your school or district, or if your administration is planning to build one, *Principal Evaluation: Standards, Rubrics, and Tools for Effective Performance* is essential for ensuring that the system is accurate, fair, and effective.
