**Nicholas Kouladis : Principles of Law Relating to International Trade** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Principles of Law Relating to International Trade:

This book, first entitled Principles of Law Relating to Overseas Trade, has been expanded, revised, repackaged and re-titled in this edition to provide a more accessible and relevant textbook on the subject. Commentary and references to

new and classic cases are now in footnotes in the main text, for ease of reading. Imbued with careful research and practical experience it presents an attempt to form a concise and authoritative statement of the law affecting international trade.
