**Dr. P.L. Verma, Mr. Prabhat Kartikey Prof. K.C. Jain : Production and Operations Management** before purchasing it in order to gage whether or not it would be worth my time, and all praised Production and Operations Management:

The book entitled Production and Operations Management is designed to help managers in making effective production and operations decisions. The concise and accessible style of the book is suitable for students pursuing management and other applied courses. The book effectively blends together the theoretical and practical concepts to make readers comprehend and apply these concepts in their studies and professional life.
