David Birch, Donna Videto : Promoting Health and Academic Success before purchasing it in order to gauge whether or not it would be worth my time, and all praised Promoting Health and Academic Success:

0 of 0 people found the following review helpful. Five StarsBy Linda NeumannEvery Wellness Committee, Health Coordinator, School Nurse, Health Teacher, and Physical Education Teacher should have this!

Promoting Health and Academic Success is a valuable resource for advocacy, planning, implementation, and evaluation related to the Whole School, Whole Community, Whole Child approach. It's also ideal for undergraduate and graduate courses that address a coordinated approach to school health.

About the Author David A. Birch, PhD, MCHES, is professor and chair of the department of health science at the University of Alabama. He is president-elect of the Society for Public Health Education (SOPHE) and is past president of the American Association for Health Education (AAHE). He has served on the board of directors of AAHE, the

American School Health Association (ASHA), and the National Association of Health Education Centers (NAHEC) and on the board of trustees of the Society for Public Health Education (SOPHE). Dr. Birch is cochair of the National Implementation Task Force for Accreditation in Health Education, a member of the Governing Council of the American Public Health Association, and a member of the board of directors of the Foundation for the Advancement for Health Education. He is chair of the editorial board of the Journal of School Health and a member of the editorial boards of Pedagogy in Health Promotion: The Scholarship of Teaching and Learning and the American Journal of Health Studies. Dr. Birch is a charter fellow of AAHE and a fellow of ASHA. He has received the Eta Sigma Gamma Honor Award (2015), the SOPHE Presidential Citation (2012), the ASHA Outstanding Researcher Award (2010), AAHE Professional Service Award (2008), the AAHE Presidential Citation (2008, 2012, and 2013), and the ASHA Distinguished Service Award (1996). He was the 2008 Ann E. Nolte Scholar in Health Education at Illinois State University and a 2000 Robert D. Russell Scholar at Southern Illinois University at Carbondale. As a faculty member at Indiana University, Dr. Birch received the Trustees' Teaching Award and the Teaching Excellence Recognition Award. His research interests include professional preparation, professional leadership, and the Whole School, Whole Community, Whole Child model. Donna M. Videto, PhD, MCHES, is a professor of health at SUNY College at Cortland. She is a national leader in school health and has published articles on health education in several journals, written chapters in four books, and coauthored a book on assessment in health education. She has also made numerous presentations across the United States on health education and was given the 2012 New York AHPERD Amazing People Award for outstanding contributions and commitment to professional excellence. She became an American Association for Health Education fellow in 2012, and she has received several awards for her teaching. Videto is a member of the American School Health Association and the Society for Public Health Education.
