Donnie P. : How to catch a mouse with no cheese; Read World Lessons and Experiences from an Entrepreneur before purchasing it in order to gauge whether or not it would be worth my time, and all praised **How to catch a mouse with no cheese**; Read World Lessons and Experiences from an Entrepreneur:

0 of 0 people found the following review helpful. It covers many subjects for being prepared and what to watch for along with an exit strategy By nannaleigh1110 This book is put together to help the new entrepreneur. Starting a new

business can be a daunting task and this author has experienced this. The book takes you from the beginning of preparing mentally to making a plan. It covers many subjects for being prepared and what to watch for along with an exit strategy. This is an informative read with lots of useful information. This is an important any budding business person to peruse.

How to Catch a Mouse with No Cheese is written for people who either have been in business for up to a year or are interested in starting a business, but to not have money. It discusses five life-changing principles that will help you succeed. Each principle has its own basis for preparing you to get your business up and growing with no money. So, whether you own a fledgling business or plan to start a business this is the book for you.
