**Deborah L. Brett, Adrienne Schmitz : Real Estate Market Analysis: Methods and Case Studies, Second Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Real Estate Market Analysis: Methods and Case Studies, Second Edition:

2 of 2 people found the following review helpful. This book provides really good information on the Real Estate Analysis process  
By Jean Lespinasse This book provides really good information on the Real Estate Analysis process. It provides the reader with a strong base of knowledge on various real estate products from single use types to multi use types and key market driver that effect the real estate development decision making process.  
0 of 0 people found the following review helpful. Useful book  
By MCPAA very good , thorough book for the student of real estate.  
0 of 0 people found the following review helpful. Clear and straightforward  
By Customer Very clear, albeit a little wordy in

some sections.

Offering the tools needed to evaluate trends and understand key factors affecting the real estate market, this book explains how to get started, where to get information, and how to apply the basic techniques to a variety of development types. This practical primer offers a step-by-step approach to developing property—whether public or private sector—and shows how market-analysis methods have been employed in real projects. The 13 case studies written by top market analysts provide models that can be applied to multifamily, hotel, office, industrial, entertainment, mixed-use, and/or master-planned communities. This is an excellent reference for real estate students and professionals to maximize potential in a troubled market.

About the Author Deborah L. Brett is a real estate and planning consultant for a wide range of public and private organizations, providing project-related market analysis. She lives in Plainsboro, New Jersey. Adrienne Schmitz is a director at the Urban Land Institute, the world's leading real estate and land-use education and research institute. She lives in Washington DC.
