**From Asian Development Bank : Results-Based Management Framework in the Philippines: A Guidebook** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Results-Based Management Framework in the Philippines: A Guidebook:

The Asian Development Bank has actively supported the Government of the Republic of the Philippines' Department of Budget and Management in institutionalizing results-based management across the country's bureaucracy. This guide to the Results-Based Management Framework (RBMF) provides a common reference point from which further refinement can occur. It aims to give insights on performance management with discussions on living within one's means (aggregate fiscal discipline), spending on the right things (allocative efficiency), and obtaining value for money

(operational efficiency). It also aims to help readers understand how RBMF principles emphasize the importance of the government's goal of establishing a more transparent, accountable, and participatory culture.
