J. Sulej : Rethinking Business Schools before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rethinking Business Schools:

How do we create the business school and managers of the future? Rethinking Business Schools draws upon extensive case study evidence from both Russell Group and Non-Russell Group University Business Schools in the UK to answer some of these questions from a European perspective and stimulate a wider debate.

About the Author Julian C. Sulej is an award winning educator and manager with a successful track record in business development and higher education. He has led a range of management and marketing-related business and management education development projects for business organizations and universities in the UK, Western Europe and the USA.
