Robert T. Kiyosaki : Rich Dad's Before You Quit Your Job: 10 Real-Life Lessons Every Entrepreneur Should Know About Building a Million-Dollar Business before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rich Dad's Before You Quit Your Job: 10 Real-Life Lessons Every Entrepreneur Should Know About Building a Million-Dollar Business:

6 of 6 people found the following review helpful. Delivers on its ambitious title
By John Innes
It is hard to challenge certain truisms. Either you are musical or you are not. Artistic or not. A born entrepreneur or not. Here, the author challenges that last statement. He clearly affirms that anyone CAN be an entrepreneur, but he then spells out the all-important "BUT"s. But you must become at least competent at a core set of skills or don't even go into business. If you can't sell, you MUST take some readily available steps to learn it. There are no short-cuts here. But there is plentiful clear-cut advice. I had already been self-employed for seven years when I started reading. Within a very few chapters, I learned what aspects of my business were stalled and how I could break free. One thing has led to another and I now enjoy tackling the necessary challenges. Every day has brought new achievements. Like the "Rich Dad" who mentored him, Mr. Kiyosaki has become a no-nonsense source of advice for people who want to do more than just yearn for a career in business. If you want a cheerleader, DO NOT look here. If you want a fantastic coach, suit up and play.
