Susan A. Gingras Fitzell : RTI Strategies for Secondary Teachers before purchasing it in order to gage whether or not it would be worth my time, and all praised RTI Strategies for Secondary Teachers:

0 of 0 people found the following review helpful. This is a MUST read for high school teachersBy Bonnie J. MoodyFinally - some down to earth suggestions on helping students and managing your time at the various tiers! As a regular mathematics teacher (Geometry/Algebra)at the high school level, I found that the process is definitely doable --- there are example plans for many other subject areas as well -- definitely a good resource for all as well as the interventionist in each of the tiers -- I highly recommend this book.1 of 1 people found the following review helpful. A Must Have Resource!By Karey DahlgrenThis book is filled with ideas and resources that are easy to implement. It is a perfect book for teachers that don't know where to start when it comes to supporting their struggling learners.0 of 0 people found the following review helpful. Five StarsBy Patrick LeeExcellent...the product and delivery met my expectations!

A "strategy bank" for secondary teachers

"RTI for Secondary Teachers is a valuable resource brimming with concrete real-world strategies. Susan Fitzell provides sample lesson plans designed to reach struggling learners, but they can be easily adapted to reach even the most capable learners. Her rich template for success demystifies Response to Intervention at the secondary level and offers a treasure chest of strategies for reaching students in any tier."--Mary Howard, Literacy Consultant (01/06/2011)
