kyle Mccomas Rules of the Hunt is the One Book that all should read. Not only is it chalk full of good business stories and solutions , but great common sense for every walk.of life. I have purchased about 20 of these books and given them to freinds, family, and business associates.0 of 0 people found the following review helpful. very personable bookBy Amir al shamyThis book is a great read . I felt that the author is in my room talking to me . His advises are very valid and important to new or old entrepreneurs . I got lot if great ideas from reading this book . Do not expect that you will be jumping up and down after reading it because it is not that type of a book . This is as real as it can get without fluff stuff .0 of 0 people found the following review helpful. Worth the price of admissionBy Paul AguayoMore than worth than worth the price of admission. Michael had some good insight on human nature and some does and don't s, in business and in real life as well. Paul sends

This is a friendly and inspirational book filled with honest and down-to-earth advice that you would expect from a trusted friend and mentor.Rules of the Huntnbsp;is unusual in that you won't find any trendy advice, complex theories, or unrealistic promises. The author points out that there is no magic formula for success. He holds that winning in business and life is about gaining an accumulation of small advantages. This book is written to give you a treasure trove of those advantages.
