Peter W., Jr. Cookson : Sacred Trust: A Children's Education Bill of Rights before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sacred Trust: A Children's Education Bill of Rights:

All students have the right to an excellent education Peter Cookson boldly describes a proposed education bill of rights for American students, including ideas on how to restructure the United States Department of Education. The book asserts that all children have the right to: Attend a school that is funded for 21st-century excellence Develop individual learning styles to the optimal extent Have their heritages honored and incorporated into study Through vivid

storytelling and relevant research, Cookson provides specific and innovative steps for creating a concrete action plan that will lead to just, equitable, and world-class schools.

"Some of the ideas in this motivating book really push the envelope. I love the idea of establishing an educational trust fund for every American child! Wow, can you imagine how amazing this would be if it really came to fruition?"--Brigitte Tennis, Teacher (01/04/2011)"Peter Cookson elegantly parses language in a manner which speaks convincingly to the heart of an idealist and the mind of a pragmatist. His passionate and urgent plea for a 'Children's Education Bill of Rights' provides a reform blueprint with, through and for schoolchildren and youth in our country. This book is must reading for all interested in empowering more citizens to gain the promise of America."--Eric J. Cooper, President and Founder (04/12/2011)"This book is both succinct and comprehensive, well-documented and objective, but full of a pregnant sense of outrage, powerful and commanding. The message is that it is time to stop talking and start solving our education problem."--James P. Comer, Maurice Falk Professor of Child Psychiatry (04/18/2011)"Brimming with ideas, inspiration, and important questions, Sacred Trust could be the cornerstone for ongoing debate and action aimed at creating the schools we need for children in this century. Peter Cookson is an eloquent writer whose educational insight and wisdom warrants close attention."--Caroline Hodges Persell, Professor of Sociology (04/20/2011)"Outlines the types of education all American kids should have a right to enjoy and covers problems and solutions to achieving this uniform goals. Makes a fine action plan for all schools to consider."--James A. Cox, Editor in Chief (11/21/2011)"This book will be very helpful for future K-12 administrators as they attempt to understand the underlying dynamics of future trends and educational demands. It provides educators with a solid philosophy and personal plan of action for addressing these issues in their own community."--Bernardo J. Carducci, Director, Shyness Research Institute (01/04/2011)"This book approaches the problems of education in a positive way by relating how to solve those problems through the consideration of the rights of children. The author's list of rights is refreshing and different from other lists that have been published. I wholeheartedly recommend this book for all educators and anyone who has a stake in education."--Karen L. Canfield, Principal (01/04/2011)"Sacred Trust: A Children's Education Bill of Rights is a clarion call to action for all Americans who care deeply about children and public education. Peter Cookson cuts through the endless policy debates and presents a positive plan for building 21st century public schools for all children."--Richard W. Riley, Former U. S. Secretary of Education (03/29/2011)"In Sacred Trust: A Children's Education Bill of Rights, Peter Cookson provides a road map for developing every child's greatest abilities and private hopes and dreams. With his proposed ten rights, plus the added right to good government, he provides a compact that if fulfilled will save our species from self-inflicted extinction. All educators, policy makers, and parents should treasure this book for its robust guidance on how we can benefit everyone by achieving this essential Bill of Rights."--Gardner P. Dunnan, Academic Dean (04/04/2011)"Peter Cookson's vision for a truly inclusive and quality public school system could not come at a better time. As many of our children are struggling, we need a national vision and a genuine sense of hope. Sacred Trust is a caring, yet uncompromising wake-up call to honor and support public education."--Ramon C. Cortines, Former Superintendent (04/08/2011)"This book is both succinct and comprehensive, well-documented and objective, but full of a pregnant sense of outrage, powerful and commanding. The message is that it is time to stop talking and start solving our education problem."--James P. Comer, Maurice Falk Professor of Child Psychiatry (04/18/2011)"Sacred Trust bristles with passion and imagination. Peter Cookson makes a forceful argument that the human rights of life, liberty and the pursuit of happiness articulated in the Declaration of Independence demand an education which cultivates the whole person."--Aaron M. Pallas, Professor of Sociology and Education (04/27/2011)"Peter Cookson understands, as did our founding fathers, that a first-class education is necessary for national cohesion. In many ways, it is our nation's best defense. With his Children's Education Bill of Rights, he lays out the principles that should guide the stewardship of all our children."--David C. Berliner, Regents' Professor Emeritus (04/29/2011)"Some of the ideas in this motivating book really push the envelope. I love the idea of establishing an educational trust fund for every American child!
