Kogent Learning Solutions Inc. : SAP Audit Black Book before purchasing it in order to gage whether or not it would be worth my time, and all praised SAP Audit Black Book:

This book, SAP Audit Black book, brings you a simple, to the point non-technical jargon free discussion on auditing of SAP Systems along with comprehensive real life examples based on author's real life audits. It is one of the first SAP Audit books that cover real life internal controls and business cycles rather than plain technical discussion. Targeting intermediate and advanced-level readers.
