Bhushan J Mamtani : SAP Security Interview Questions before purchasing it in order to gage whether or not it would be worth my time, and all praised SAP Security Interview Questions:

The purpose of an interview is to assess the level of knowledge of a candidate on a subject matter and evaluate the extent to which one can contribute toward a company's development. Even after going through effective training and being well-equipped with references, you might come across some questions that may put you in a fix. The book SAP

Security Interview Questions prepares you to crack such kind of questions. It is highly recommended for beginners, students, as well as professionals. This book covers the valuable and uncharted areas of SAP Security.
