Nima Sanandaji : Scandinavian Unexceptionalism: Culture, Markets and the Failure of Third-Way Socialism (Readings in Political Economy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Scandinavian Unexceptionalism: Culture, Markets and the Failure of Third-Way Socialism (Readings in Political Economy):

0 of 0 people found the following review helpful. And it's not a happy place. The book was written before Syrian refugees ...By AlexLDefinitely a side of Sweden very few people know about. There are many ways toward Socialism. But they all end up in the same place. And it's not a happy place. The book was written before Syrian refugees flooded Sweden. It's actually much worth than what the book describes.10 of 11 people found the following review helpful. Great book for all to come out of political ignoranceBy James D. BortolottoThis book was very well written and all comments were referenced well. The author demonstrated clearly and effectively what must be present in a country's social culture to make successful social programs work.0 of 0 people found the following review helpful. Excellent look at the Scandinavian Socialism myth from one of ...By LeeSExcellent look at the Scandinavian Socialism myth from one of its own. Uses "facts" to debunk the myth used by American Progressives to push a socialistic agenda in America.

This book is important to help an international audience understand the cultural peculiarities behind the Scandinavian "success story". It is also vital that Scandinavians themselves read this book to help them understand the market reforms that are essential for a successful future.
