Customer I am so impressed. I have never before made so many highlights when reading a book. Gives You great direction to find out what are You after and start doing what You love to do. 1 of 1 people found the following review helpful. Five Stars By Dobroslava Mircheva Great book! The most motivating book I've ever read! 2 of 3 people found the following review helpful. Like so many other books of its kind By Darc Like so many other books of its kind, Screw Work Let's Play never gets around to telling the reader HOW to accomplish this.

"Do you have a sane work-play balance? Had enough of your job and want to change your life? Here's how to do it" [The Times](#) Stuck in a job that's boring you to tears? Slogging away at a business that's never quite taken off? Still can't decide what you'd rather do? Well, it's time to change all that. We've reached a remarkable point in the history of work. With the right guidance, it's now possible for anyone to make a living from doing the things they love. Written by a career maverick who escaped corporate life, *Screw Work Let's Play* is your blueprint to create a work-life full of fun, freedom and creativity; something more like play than work. Packed full of stories from people who turned their passion into their living — or even a million pound business — you'll discover 10 secrets to transform your working life, starting today. Discover life-changing ideas and practical plans including: [How to win your first playcheque](#) — without quitting your current job [How to beat the doubts and internal blocks that hold you back](#) [How you can play and get rich](#) — even in a recession Whether you want to start a business, create an ideal job, write a book, or change the world, there's no need to suffer unfulfilling work any more.
