This was better than I expected By Always Interested This was better than I expected, actually I purchased it because I didn't especially like Barbara and was wondering what made her so arrogant. Must say her background was fun to read about and quite surprising, her writing style or whoever did it for her, made it compelling and a quick read to relax with. I fully recommend this book for relaxing entertainment while

delving into the mind of a winner.2 of 2 people found the following review helpful. Journey of a Woman's Road to Success... Not Much for the Would Be Entrepreneurs, But Nevertheless InspiringBy ALSI bought this book because I thought it would delve in the art of the deal. Well, it turned out this book is more about Barbara Corcoran's journey to success. Not a bad read, but I wished she would've also devoted a chapter with suggestions for entrepreneurs on how to approach their own journey.4 of 4 people found the following review helpful. I LOVE THIS BOOKBy Rachel LowryI LOVE THIS BOOK! It is a quick read and you are hooked from page 1. She has always been my favorite shark and she will continue to be. Her life lessons tied in with how she runs her business makes this book so incredibly value to anyone who has a business of their own. I have taken a few of her team leadership ideas and applied them to my own. A must read!

The inspiring true story of Shark Tank star Barbara Corcoran--and her best advice for anyone starting a business. After failing at twenty-two jobs, Barbara Corcoran borrowed \$1,000 from a boyfriend, quit her job as a diner waitress, and started a tiny real estate office in New York City. Using the unconventional lessons she learned from her homemaker mom, she gradually built it into a \$6 billion dollar business. Now Barbara's even more famous for the no-nonsense wisdom she offers to entrepreneurs on Shark Tank, ABC's hit reality TV show. Shark Tales is down-to-earth, frank, and as heartwarming as it is smart. After reading it don't be surprised if you find yourself thinking, "If she can do it, so can I." Nothing would make Barbara happier.
