**Jennifer Moon : Short Courses and Workshops: Improving the Impact of Learning, Teaching and Professional Development (Creating Success)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Short Courses and Workshops: Improving the Impact of Learning, Teaching and Professional

## Development (Creating Success):

A discussion of the management of learning on short courses and in workshops, which may take place in a wide range of "educational" or training situations. It cuts across the cultures of academic teaching and training and draws on Jenny Moon's experience in both fields.
