George Eckes : Six Sigma for Everyone before purchasing it in order to gage whether or not it would be worth my time, and all praised Six Sigma for Everyone:

2 of 2 people found the following review helpful. A great refresher!By J. SwisherHaving first been introduced to Six Sigma years ago, this was a welcome easily read refresher. Great for the person who wants an overview of Six Sigma that gives the basics, terms, and examples of the DMAIC process in action. Highly recommended!1 of 1 people found the following review helpful. Human Resouce BookBy DafWork exercise several years back0 of 0 people found the following review helpful. Five StarsBy JTEasy read and very useful information!

A practical, straightforward guide to Six Sigma for employees in organizations contemplating or implementing Six Sigma. From noted Six Sigma consultant and author George Eckes, *Six Sigma for Everyone* explains the underpinnings of the revolutionary quality assurance methodology, offers in-depth examples, and outlines the impact and desired end result of implementation. Whereas, most Six Sigma books are written for executives and practitioners of Six Sigma and tend to be overly technical or strategically focused, this book is written specifically for employees of organizations thinking about or already attempting implementation. George Eckes (Superior, CO) is founder, President, and CEO of Eckes Associates, Inc., a Colorado-based consulting group specializing in results driven by continuous improvement, Six Sigma training and implementation, organizational development, and change management. Among his clients in the United States, Asia, Europe, and Mexico are Volvo Trucks North America, Honeywell, Wells Fargo, and General Electric. He is also the author of *Six Sigma Team Dynamics* (Wiley: 0-471-22277-1), *Making Six Sigma Last* (Wiley: 0-471-41548-0), and *The Six Sigma Revolution* (Wiley: 0-471-38822-X).
